## 2025 Brazil Rotary Healthy Kids Fun Run

The **Brazil Rotary Healthy Kids Fun Run** program is for kids 5-12 years of age. The program will last 4 weeks. There will be 8 practice sessions starting at the Forest Park pavilion (cow palace) on Mondays and Thursdays beginning Monday, April 14th and concluding on Thursday, May 8<sup>th</sup>. These sessions will last about 30 minutes and teach young kids the importance of physical exercise. The practices increase in intensity throughout the four week period. Guest speakers will provide additional encouragement and instruction at each practice. Making all the practices is not mandatory, but we encourage the kids to make as many practices as possible. The practice sessions culminate with a 1-mile event (walking and/or running) on Saturday morning, May 10<sup>th</sup> at 10:00 AM at Forest Park.

The key emphasis of the **Brazil Rotary Healthy Kids Fun Run** is **healthy fun**. Running is an option, but not mandatory. The event is not a race although the kids are encouraged to push themselves to become more physically fit. There is no cost for the program and all kids completing the 1-mile event will be awarded a T-shirt and a participation medallion.

All such risks being known and appreciated by me. Having read this waiver and knowing these facts, on my behalf and on the minor's behalf, waive and release the Brazil Rotary Club, its officers, directors, agents, employees, sponsors, their representatives and successors from all claims or liabilities of any kind arising out of the minor's participation in this event even though that liability may arise out of negligence or carelessness on the part of the persons named in this waiver. I further authorize and empower the program director to consent to and authorize any medical care or treatment for the minor whether occurring before, during, or after the event.
